

Beginning September 13, we will be resuming in-person LIFE groups. Current groups are listed in the link below. We are hoping to resume Children's ministry activities and adult discipleship classes in the coming weeks.

Here is a short list of things to consider as we resume our in-person groups.

- **Checking in your children before arriving on campus** will speed up the process.
- The gym doors will remain locked. **Please use the courtyard doors near the Coffee Café to enter the gym to check in your children.**
- **Kindergarten through 5th grade children will be taken to the gym at 10:50 AM.** Please send one parent to the gym to pick-up your child.
- **Please wear a face covering in the hallways** as social distancing will be more difficult.
- You may remove your face covering once you reach your classroom and are properly social distanced from those in your group.
- Please **avoid gathering in the hallways** before and after your group meets.
- **Avoid shaking hands and hugging** while on campus.
- Bring your own **hand sanitizer** or use those provided by the church.
